Dear Joe:

Re: 1990 Special City Allotment (SCA) Program

I am pleased to advise you the Oregon Transportation Commission approved your proposed project on September 18, 1990 for construction of Birch Street & 14th Ave. under the Special City Allotment (SCA) Program. Maximum funding under the SCA Program is \$25,000. All project costs exceeding the maximum amount shall be the responsibility of the City.

An agreement concerning project specifics will be prepared in the near future which will be forwarded to you for council consideration and approval. No action is necessary until the agreement is received.

Do not hesitate to call if you should have any questions.

Sincerely

Roger C. Lang
Region 5 Federal Aid Specialist
